"*Fiery Flames*" does not mean hot,  
it is just the brand name to represent  
the real taste of the food which comes  
from the flames.

The idea behind *Fiery Flames* is  
"the flames that makes the  
difference as ingredients are always  
the same."

"*Fiery Flames*" is promoting more of  
fusion food, it considers the taste of  
every individual sitting on the table.

For people who do not prefer spices,  
please take a minute to explain to the waiter or  
waitress and we are more than happy
